

WILLIAM M. HABERMEHL
County Superintendent of Schools

Orange County Math Initiative
Application for Professional Development
through
Orange County Department of Education
2009-2010

School Name:	District:	Principal:
Phone:	Address:	Grade levels:

1. What are your grade level priorities regarding mathematics for both your students and your teachers?

2. What is your grade level teams' basic purpose?

3. Can you describe how you intend to use ST Math with your students?

4. Describe your plan for integrating ST Math with your grade level curriculum.

5. What happens in your school when a student experiences difficulty in mathematics?

6. What equipment do you think you need for your students and teachers to use ST Math and what are your expectations in obtaining that equipment?

Use as much space as needed to answer each question completely.
